BOYS SCOUTS ATTEND SCOUT JAMBOREE.

BY: Joan Aspelst.

Eleven Boy Scouts and their Scoutmaster Doug. Aspelst, will be leaving early Saturday morning, July 5th for the Second Alberta Boy Scout Jamboree to be held in Hillsdale Flats at Banff National Park.

The boys, Ken McMorris, Brian McMorris, Wally Mohn, Russell Mohn, Wayne Palmer, Eugene Palmer, Dave Joyce, Steve Seranas, Ronald Meiers, Charles Byers and John Byers, will travel by school bus to the site.

Over 1,600 Boy Scouts, including one troop each from Saskatchewan, Manitoba, British Columbia, and Montana have applied for admission to the camp.

The boys will sleep in tents and do their own cooking, in addition to all other activities planned for them.

They will return Saturday, July 12, with their souvenirs and memories that will last a lifetime.

LEADERSHIP TRAINING COURSES.

A public meeting was held in the Community Hall recently to discuss recreational needs of the community.

A good representation of ratepayers was on hand for the meeting. Discussion centered around the recreational needs and the utilization of the Recreation Building.

The Provincial Government's plans to put on courses in Recreational Leadership training was discussed and candidates to attend the two leadership courses were chosen.

For the one week course the following were chosen: Allen Bailey, Barbara Clelland, and Terry McQuaig. The course starts June 30 and will be held in Red Deer.

For the four weeks course were chosen: Gail Fairbairn, Carol Lindskoog, Richard Shigman and Donald Anderson. This course will also be held in Red Deer and will commence July 7.

The Candidates for the Leadership Training courses are being sponsored by the (continued next column)

various service clubs of the community and by the Recreation Board.

The newly formed Recreation Board consists of Kelly Wynn as Chairman, Father Scriven secretary, Howard Cathers, vice president, Bill Johannesson, treasurer, with a representative from each of the various service clubs.

As soon as the candidates return from the four week course plans will be put into operation for recreational programs to begin.

CHAMBER OF COMMERCE MEETS.

A meeting of the Drayton Valley Chamber of Commerce was held in the Gadium Room of the Drayton Valley Hotel Cafe the second Thursday of June, in the evening. It was a supper meeting with a quite good representation of members on hand.

Red Fuhr brought a comprehensive report of the Chamber of Commerce Convention held in Calgary for the Alberta Associated Chambers of Commerce. Mr. Fuhr and Mr. John MacKinnon attended the Convention as delegates from Drayton Valley.

A motion was effected to arrange a "Baby Bonus" project at the opening of the new Drayton Valley Municipal Hospital which will take place shortly after July 15.

The idea Behind the Baby Bonus deal is that various merchants will contribute merchandise for the mother and baby of the first baby born in the new hospital.

All local businessmen and those eligible for Chamber of Commerce membership are urged to get the memberships paid up for this year. A drive will soon be put on to get all memberships in as soon as possible.

LIQUOR STORE TO OPEN SOON.

Shelving and counters for the new government liquor store is now being installed and it is expected that the liquor store will be open for business in about a week.

The Liquor Commission has written the Chamber of Commerce asking that housing be obtained for the store clerks.

KEN MASON'S COLUMN.

Two members of the Alberta GCF party who went on a trip to Russia in 1955 and caused a furor over some of the statements they made there, are in the news again.

They are William Irvine, president of the Alberta party, and Harold Bronson, past vice-president, and this time they are heading for a world peace conference in Stockholm, slated for July 16-22.

Some elements of the party in Alberta are frankly worried about the forthcoming trip, in view of what happened when Messrs. Irvine and Bronson toured the Soviet Union.

Here's a sample of one of Mr Irvine's statements, made on a television broadcast in Kiev: "The Soviet Union has become a new Mecca. People are coming in great numbers from all countries to see you build a road to a new era. Misunderstanding of your purpose has been great in some countries. And your responsibilities are equally great. If you continue to build for humanity and peace, all mankind will ultimately wish you well."

There were other statements which caused more fuss. Some of them, Mr Irvine said, were misinterpreted in transmission from Soviet to Western news agencies, but others he confirmed.

Here's one, made in Leningrad: "You were forced, as we of the West thought we were, to devote your major effort to defensive preparations. For you that was a tremendous disadvantage, for what you needed most was peace so that all your efforts could be directed toward building a socialist society and to raising the living standards of the people."

On his return to Canada, Mr Irvine said that what he meant by this was that "... they were afraid of us, and we of them, and the two sides forced each other to arm...."

There also was a statement about the "democratic nature" of the Soviet parliament, but Mr Irvine said what he meant by this was that he noticed a striving toward democracy.

Officials of both the local and the national party talked about investigating the matter and hinted at possible disciplinary action against the tourists, but it apparently blew over.

Last week Alberta members of the party expressed their confidence in Mr Irvine by re-electing the former member of Parliament as president of the provincial organization.

The provincial government's new royalty dividend branch has processed some 75,000 applications for this year's \$17.50 dividend, and cheques will begin moving out in July. About 190,000 applications have been received so far. Some 10,000 (next column)

Ken Mason's Column (continued)

Have been returned to applicants, mostly because they weren't sworn before a commissioner of oaths.

The dividend scheme backfired slightly on the government last week when members of the provincial GCF party were asked to donate their dividends to party funds. Delegates attending the party's annual meeting here immediately donated or pledged more than \$1,000.

This would be a poor time for the Edmonton Chamber of Commerce to send one of its "Friendship Train" tours to the Peace River country. The chamber last week came out in favor of the McMurray-Waterways route through northeastern Alberta for the proposed Northwest-Territories Railway.

Reaction from the Peace River area was immediate and bitter. Peace residents want the railway to go through Grimsby in northwestern Alberta. There was even talk of Peace Residents burning in effigy members of the MacGregor Royal Commission on Northern development, which recommended the McMurray route.

Premier Manning still hasn't changed his stand, but he suggested last week that all the fighting over the route might give Ottawa an excuse to delay building the railway.

Albertans will be paying their civil servants another \$2,000,000 or so per year as a result of a salary increase granted last week. The increase for the more than 8,000 civil servants averages out to eight per cent. Last year, salaries cost the province a total of around \$24,000,000. The increases range from \$240 a year in the lower end of the schedule to as much as \$600 a year in the upper brackets.

xxxxx xxxxx xxxxx

The provincial and federal governments are reporting nearing an agreement on the sharing of the costs for roads leading to natural resources areas. Highway Minister Gordon Beyer says he hopes an agreement will be signed within a month.

Under a federal offer, Ottawa will pay 50 per cent of the cost to a maximum of \$1,500,000 per year for five years.

Alberta has several projects in mind. One is paving of the Mackenzie Highway from Grimsby to Hay River. Also planned is a new road from McMurray to Lac La Biche, along with roads from Abasaka to McMurray and from Fairview to Hines Creek.

HERE AND THERE.

(Mostly There) Lodgepole residents held a going-away party for the Jack Millions family recently. The Millions' are heading back to Saskatoon.

In Lodgepole, also, the former Star Cafe, which was built during Lodgepole's lush boom days, and abandoned... when the cold breath of adversity blew on the necks of the operators, is all jacked up on blocks, ready for its rough trip to Drayton Valley where it will serve as a hall for the Legion.

The almost new, large building will serve the Legion quite well as their hall in the spot across from the Conservation Board office where they plan to put a full basement under it.

In Lodgepole, too, Pan American Company, Mr. Big of that area, is getting ready to build a number of employee houses. The houses will be built in the semi-circular area in the center of town.

Badly burned some time ago when a propane heater exploded was Frank "Fiz" Leadley, one of Lodgepole's leading merchants.

"SAFE CRACKER WANTED" Such a sign might well have appeared on the wall of the P.O. at Lodgepole a while back when the big safe where the money and other valuables for the p.c. were placed for "safe-keeping" refused to open.

Apparently the apparatus closed benignly one evening with money orders, money, receipts, and other oddments of postal business safe in its innards, along with, of all things, the examination papers for the coming end-of-the-year examinations in the Lodgepole School.

Next morning, however, the obstreperous, cantankerous and voracious critter refused to open its maw and eject the hoarded valuables.

Two safe experts, called post haste from Edmonton were unable to open it so it was decided to haul the safe to Edmonton and let experts look smiths try their hand on it; so the services of a winch truck were enlisted to load it.

It may be open now, but just a few days ago Mr. Safe had still defied all attempts, even expert ones, to open it and still contained the money, money orders, examination papers et al.

And what about end-of-the-term examinations? Well, wouldn't you just know that was too good to be true! School Principal Elliot (the old meanie), drove all the way into Stony Plain to get a duplicate set. So examinations were held as per schedule.

And the last we saw of the mistress Proehl she was singing, "Oh! Bring back my safe to me!"

What has Lodgepole Hardball team got? Under the hurrying of Ken Schneider, pitching to Earl Oliver, of Pan Am. they whupped Violet Grove on June 17 to the tune of 36-8. It is said their chest-thumping included a challenge to D.V. Hardball to come out and get whopped too.

PEMBINA RIVER YIELDS
A BIG ONE.

This handsome young lad with the big fish is Fred Gross, Jr., son of Fred Gross, Sr. who is headman for Campion Pipeline, out at Campion Corners.

Fred Jr. is just five years old and was wetting his line in the Pembina River, just downstream from where his daddy was fishing when Mr. Big Jack struck his hook.

Fred Jr. hung on manfully and with a little assist from a lady who happened to be on the riverbank, he pulled the fish in.

Weighed on a pair of legal, non-fisherman scales, the fish weighed a little over eight pounds.

Figuring pound for pound against the obvious weight of the young angler, the fish was a mighty big catch.

By the way, young Fred Jr. is obviously a natural-born fisherman, as that self-satisfied smile may be seen of the faces of fishermen all over the world, when the big one doesn't get away.

Ken Mason's Column (continued from inside front page)

the annual meeting of the Junior Farmers Union. The young people passed a resolution asking the Federal government to increase basic tax exemptions for university students. Dean C. Lien, of Warner, was re-elected president of the Junior Farmers Union.

"DRAYTON VALLEY FANS IGNORANT AND UNDECIDED" SAYS WRESTLER.

The Lions Den

Drayton Valley's third wrestling match staged under the sponsorship of Drayton Valley Lions Club was the scene of a near-riot as fans who take the game very much to heart sought to enforce their own decisions during the staging of the matches. Following the closing of the final match, a tag team event with Ray Osborne, 241 lbs., of Jasper Place, and his brother, Bud, weight 235 lbs., against Al "Murder" Mills of the famous Mills Brothers team, who grasped their way to the onetime championship of Canada, and his partner, Dennis Foreland, of Salt Lake City, Utah, the Utah lad screamed: "I've wrestled my way from the Mexican Border to the Northland, and from Coast to Coast, but I have never seen so many ignorant and uneducated people in my life as I have seen tonight; and you can say I said so!"

From that we gathered the gentleman of the mat from South of the Border didn't care too much for Drayton Valley's enthusiastic wrestling fans who took things into their hands (and in particular) to give vociferous opinions of their own regarding the outcome of the mat-acts.

The mat-man, Dennis Foreland, may be remembered by those who were at the Drayton Valley Rodeo last year as the whiskered clown who lost a decision to a Brahman bull, but not getting over the fence in time to avoid the charging creature's horns, with a result that Foreland suffered back injuries.

The wrestling card, which was held in the Curling Rink, on Thursday last, June 26, was very well attended and it is expected that the next one to be held on Wednesday, July 16, will also be a very successful affair insofar as attendance is concerned.

In the Opener Event Jack Krys, 235 lbs. of Spokane, Washington, was matched against Mr. Grizzly of Ketchikan, Alaska, who weighed 226 lbs. This closely-contested match was won by Krys on a default. Following the opening match the two girls, Yvonne Ames, 134 lbs., of Portland, Oregon and Rammy Taylor, 138 lbs., of Vancouver, fought out their personal grudges again on the mat. So incensed were the young ladies that both engaged in so many foul tactics the event was finally declared "No Match" by the referee. Originally the match had been scheduled as between Ames and Lacy Martin, of Victoria, but Miss Martin was injured in a previous match and was unable to appear for the event here.

When the Main Event came on the fans were in the mood for mayhem and the wrestling tactics of the embattled wrestlers didn't help their mood any. Mills weighed in at 250 and Foreland at 243, against the combined 476 of the Osborne Bros. The first fall went to the Osborne team and the second went to the Mills' team. The third was such a debased and perhaps debatable but apparently, with the Mills Team declared disqualified in the third, the third fall went to the Osborne Brothers on the disqualification. This much is sure: the next wrestling-go between these four men will be no pink-tea or party-pot affair so you are welcome to come to the next event and see the mayhem committed.

So far as Lions Club meetings are concerned it is expected that during the summer months the meetings will take the form of work-parties to get the house and street numbering projects cleaned up, with a smorgasbord lunch following the work-days. Since the regular meeting night, (last and 2nd Tuesday of the month), fell on the Dominion Day holiday no meeting was held. There will be a meeting on Tuesday, June 15, however, and it will also be in the form of a work-party, with smorgasbord lunch at the end after a good appetite has been worked up.

ELKS ANNOUNCE TRAP SHOOT.

Drayton Valley Gun and Rifle Club, under the auspices of the local Elks Lodge, announced recently that regular Trap Shoots will be held at their range on the John MacKenzie farm.

The shoots will be held every Sunday evening, starting promptly at 7:30.

Small Bore ranges are being installed and will soon be in operation. The various shoots that have been held in Drayton Valley in the past have all been very well attended.

PASTBALL NEWS.
By: Gene Balay.

After another week in which the weather took over, regular play resumed and a couple of rained-out games were played this week. To bring the results up-to-date, on July 2, Pan Am showed that they were still in the running by defeating a Buck Creek team 11-5. The following day one of the best games of the season was played which saw only fifteen men reach base for both sides. Supply emerged victorious by a score of 4-3 over Violet Grove.

On Monday of this week a double-header was played in Drayton Valley between Pan Am and Violet Grove. Both of these games had been rained out previously. In the first, a five-inning tilt, Pan Amson when Lyle Garbe hit a home-run with two aboard in the last half of the fourth to put the game virtually out of reach. Pan Am won, 6-1.

The second game opened up strong with Pan Am scoring five runs in the top half of the first inning and Violet Grove coming back just as strong to tie it up in their half of the inning. From there on, the Pan Am hurler, Al Krebs, kept Violet Grove scoreless. Pan Am winning that one on two consecutive home-runs by the Ole Hendryk, one a grand-slam and the other with two aboard. The final score was 10-5.

The other game, played at Buck Creek, saw Supply defeat Buck Creek by a score of 10-2. On Tuesday, a rarity occurred when Mary Jones pitched a no-hit, no-run game for Mobil Oil as they romped to a very easy and convincing win over the hapless Violet Grove crew to the

FAST BALL NEWS (Cont.)

tune of an astounding 30-0 score. (Shades of the old basketball count!)

The final game to be reported this week saw Supply come from behind a 5-1 deficit to score at will in the sixth inning as they racked up 19 runs. The game went a full seven innings as the teams played until 9:15 p.m. The final outcome was 27-12 in favor of Supply. Here are the standings up to and including the games of July 9:

	W.	L.	Pct.
Mobil Oil	7	3	.700
Buck Creek	6	3	.667
Esquimaux	5	3	.625
Supply	4	5	.444
Pan Am	4	6	.400
Violet Grove	1	7	.125

Just a reminder to all club managers, that they must have their list of eligible players turned in to the League executive before 6:00 p.m. July 21.

Any names of players not appearing on this list will not be eligible for play-offs. So hurry and get your players named. No name may appear on the roster of two different clubs, and they must play in at least one game prior to play-offs.

EASYFORD NEWS.
By: Inez Oscar.

A successful community picnic was held at the Easyford Sports grounds on Sunday, July 6, despite a chilly wind. The highlight of the day was a baseball game between the married men and the singles. The married men won a decided win for the marrieds. Visitors from Edmonton were Mr. and Mrs. Paul Lucas of Edmonton, guests of Mrs. John Henkel.

Recent visitors to the district were old timers Mr. and Mrs. Raymond Shears and Mr. and Mrs. Arnold Watson of Fort Saskatchewan. The Shears and Watsons were among the first settlers in this area.

Kenny Andrew, of Sifton, Manitoba, is spending the summer with the Oscar family and working in Drayton Valley. The Andrew family moved from here to Sifton in 1956. He understands the Sifton area is plagued with drought and grass-hoppers this year.
